EDUCATION

TechUp Bootcamp

Nov 2025 - Apr 2026

Full-Stack developer bootcamp

Kasetsart University

2019 - 2025

Doctor of Veterinary Medicine (D.V.M.)

CAREER OBJECTIVE

Motivated Junior Full-Stack Developer with strong problem-solving skills and hands-on experience building web applications through self-directed projects. Seeking an entry-level role in a collaborative environment to apply frontend and backend fundamentals and deliver well-structured, user-focused solutions – with the goal of building scalable, maintainable applications that improve user experience and support business growth.
